Open Microsoft Edge. (HIFIS is a web-based application. The recommended web browser to run HIFIS is Microsoft Edge.)

Enter the following in the address field: <https://app.hifisbc.ca>

1. From the HIFIS log-in screen, enter your **User Name**.
2. Enter your **Password**.
3. Select **Log In**.
4. If you have forgotten your password, you can reset it by selecting **Forgot Password?**

◆ **NOTE:** To use the Forgot Password option you must have access to the email account associated with your HIFIS user account.

◆ **NOTE:** On sign-in you will be logged into your primary service provider (site). If you have access to more than one service provider you will need to change service providers after logging in, as needed. If you desire to change your primary service provider email HIFISupport@bchousing.org. The steps to change your service provider are outlined below. **It is crucial that you change service providers when entering or editing transactions which are associated to a different service provider.**

5. Select the **Service Provider** you are currently logged into, located in the upper right-hand corner of the screen.
